Here goes nothin' while I got my courage up
What've I got to lose I'd better move these shoes
Or I might be missin' somethin'
Here goes nothin'

Verse 2

Last night I had the strangest dream
I was in a castle, heard you scream
Saw a fire breather dragon you away
My horse a hundred feet below
Stairs ablaze and filled with smoke
Had to jump from the tower to save the day
(Said...)

Repeat Chorus

Bridge

I woke up, looked it up
In "Dream Interpretation for Dummies"
Said I better tell ya in a hurry whatcha wanna hear from me
So I threw on my clothes grabbed me a Rose and said...

Repeat Chorus
