

## HOLD ME UP (I THINK I'M FALLING)

I admit it  
I'm still falling  
Like the rain the night that I met you  
Don't mind the thunder  
And the lightning  
You turn all my gray skies blue

(Pre-Chorus)  
Every now and then I get a little weak in the knees  
My heart turns summersaults  
I can barely breathe

(Chorus)  
Hold me up I think I'm falling  
The way I did for you back then  
Hold me up I think I'm falling  
Head over heels again

Maybe it's the moonlight  
The velvet twilight  
Maybe it's the still-life we're painting tonight  
Every little thing you do  
Makes me come unglued  
Can't imagine being without you

(Pre-Chorus)  
(Chorus)
